

Student / Parent Contract & Handbook Acknowledgement

JISD policy requires that every student participating in the choral program receive the choir handbook and return this signed acknowledgment of the policies contained herein. For your convenience, the choir handbook can be found on the choir website, (www.vmchoir.org). Refusal to return or sign this form does not exempt a student from the regulations of the program.

The success of the choir department is dependent upon each individual choir student adhering to the policies and procedures set forth in the handbook. Singers are expected to fulfill all choir commitments and responsibilities. Requirements of the course include but are not limited to the Fall Concert, Winter Concert, Pre-UIL Concert, UIL Concert & Sight-reading competition, Spring Show, and any other activities designated as total organization performances. Regardless of event classification (extra or co-curricular), attendance of those eligible at designated events is required. **Performance is a state-required element of this course, and if a student fails to meet the designated performance requirements, he/she will receive grade reductions and may be suspended from participation in the organization at the director's discretion.** Any deviation from this policy will be at the sole discretion of the choral director. Reasonable consideration will be given relating to legitimate conflicts with UIL and school related activities. Students and parents must communicate with all sponsors **IN ADVANCE** (minimum of two weeks) and **IN WRITING** in order to provide time for proper resolution of any schedule conflicts.

I have read the 2019-2020 VMHS Choir Handbook, understand the expectation and responsibilities of the course, and agree to abide by the policies set forth in the handbook. I also understand the consequences for failing to meet these requirements that have also been outlined therein:
