------------	------------------------	-----------	--

**\*To claim points for program involvement a student must complete the entire school year in good standing. A student is considered to be in good standing when they have remained academically eligible for the entire year, received no discipline referrals and had no unexcused absences from required events.**

The school is unable to fund individual award jackets for students, however; the choir program will purchase a specialized choir patch for each student that letters in choir. The jacket fee for the 2013-2014 year will be \$50. Students who have already earned a letter jacket in another organization can receive a choir letter (without the jacket) for a \$15 fee. In order to receive ordering information students should turn in this completed form to the directors no later than September 9, 2013. Jacket fittings will be on Wednesday, September 11, 2013

**Your signature below indicates that this form as been completed accurately and truthfully. Should we find that there has been a deliberate misrepresentation of points earned the student will forfeit their eligibility for a choir letter jacket.**
